[No. 5271.]

For the prevention and cure of
DYSERY AND MALIGNANT FEVERS
is recommended.
Hahn's Anti-Bilious Pills.
THIS Medicine has been attended
with a degree of success highly grateful
to the inventor's feelings in several parts
of the West Indies and in the Southern
and Middle States, &c.

The testimony of a number of persons
can be adduced, who have reason to be-
lieve that a timely use of this salutary re-
medy has, under Providence, preserved
their lives when in the most alarming cir-
cumstances.

Facts of this conclusive nature, speak
more in favour of a medicine than cou-
lums of pompous eulogy founded on
mere assertion.

It is not indeed presumptuously pro-
posed as an infallible cure, but the inven-
tor has every possible reason that can re-
sult from extensive experience for be-
lieving that a dose of these Pills taken
once in every two weeks during the pre-
valence of our bilious fevers, will prove
an infallible preventive; and further,
that in the earlier stages of those diseases
their use will very generally succeed in
restoring health, and frequently in cases
esteemed desperate and beyond the power
of common remedies.

The operation of these pills is perfectly
mild, so as to be used with safety by per-
sons in every situation and of every age.
They are excellently adapted to carry
off superfluous bile and prevent its mor-
bid secretions—to restore and amend the
appetite—to produce a free perspiration
and thereby prevent colds which are of-
ten of fatal consequences. A dose never
fails to remove a cold if taken on its first
appearance; they are celebrated for re-
moving habitual costiveness—sickness at
the stomach and severe head-ache—and
ought to be taken by all persons on a
change of climate.

They have been found remarkably effi-
cacious in preventing and curing disor-
ders attendant on long voyages, and
should be procured and carefully preserv-
ed for use by every seaman.

Hamilton's Elixir.

A sovereign remedy for colds, ob-
stinate coughs, asthma, sore throats, ca-
tarrhs, and approaching consumptions.
To persons who have children afflicted
with the **HOOPING COUGH**, this dis-
covery is of the first magnitude, as it af-
fords immediate relief, checks the pro-
gress, and in a short time entirely re-
moves the most cruel disorders to which
children are liable. The Elixir is per-
fectly agreeable, and the dose so small
that no difficulty arises in taking it.

Hamilton's Grand Restorative.
Is recommended as an invaluable me-
dicine for the speedy relief and perman-
ent cure of
Nervous Disorders Violent cramps in
Consumptions the stomach and
Lowness of spirits back
Loss of appetite Indigestion
Impurity of blood Melancholy
Hysterical affection Gout in the stomach
Inward weaknesses Pains in the limbs
and debility Relaxations, &c.

Hamilton's Essence and Extract of Mustard.
A safe and effectual remedy for acute
and chronic rheumatism, gout, rheumatic
gout, palsy, lumbago, numbness, white
swellings, chilblains, sprains, bruises, pain
in the face and neck, &c. &c.

Lee's Ointment for the Itch.
Warranted an infallible remedy at one
application, may be used with perfect
safety by pregnant women, or on infants
a week old, not containing a particle of
mercury or any dangerous ingredient
whatever, and not accompanied with that
tormenting smart which attends the ap-
plication of other remedies.

Hahn's true & genuine German Corn Plaster.

An infallible remedy for corns, speedily
removing them root and branch, with-
out giving any pain.

The Genuine Persian Lotion.
So celebrated among the fashionable
throughout Europe, is an invaluable cos-
metic, perfectly innocent and safe, free
from corrosive and repellent minerals,
the basis of other lotions, and of un-
paralleled efficacy in removing blemishes
of the face and skin, freckles, pimples,
inflammatory redness, scurfs, tetters, ring-
worms, sunburns, prickly heat, &c.

Hahn's genuine Eye Water.
A sovereign remedy for all diseases of
the eyes, whether the effect of natura
weakness or of accident.

Tooth Ache Drops.
The only remedy yet discovered which
gives immediate and lasting relief in the
most severe instances.

Lee's Infallible Ague and Fever Drops
For the cure of agues, remittent and
intermittent fevers.

At the place of sale pamphlets
may be had gratis, describing cures per-
formed by the above medicines; the num-
ber, importance and respectability of
which, fully justify every article of this
advertisement.

form them that we have now on

ingo and Bay wood, which we will dispose
of at the Baltimore prices. The wood is

vantage to call on us.

sortment of plain and elegant **FURNI-
TURE**, consisting of sideboards, of dif-
ferent prices, tables of all descriptions,
among which are one set of pillar and
claw dining tables of elegant wood, six
ladies' work stands, some very elegant,

Burr Mill-Stone Making.
THE Subscriber wishes to inform his
friends and the public, that he has
on hand a good supply of the first quality
Burr Blocks. His shop is near Col. Pey-
ton's store, where he can supply all Mil-
lars at the shortest notice with first rate
Mill Stones, and which he will warrant
equal if not superior to any in the United
States, and will sell them at the most re-
duced prices—the workmanship superior
to any in the district.
Dec. 18 **ROBERT GLENN.**

Notice.
THE subscriber will apply for the re-
newal of a certificate of one share
in the Bank of Alexandria, No. 2415,
the original being lost.
March 16 **J. C. HERRBERT.**

Fan-Sash Making.
METAL FAN-SASHES, of various
descriptions, will be made by the
subscriber, at his shop, lower end of Duke
street. The want of a Metal Fan-Sash
Manufacture in Alexandria, has hitherto
been severely felt by builders and others,
who have been compelled to make
use of wood, which is neither elegant nor
durable. The various forms into which
the metal can be shaped have given it a
decided superiority, and the difference in
the price is very trifling. The subscriber
has been at considerable expense in pro-
curing the necessary preparations, and
relies on public enterprise for success in
the undertaking.
Gentlemen in the country, by sending
the dimensions of their sashes, can have
them made at the same price as if in town.

now ready for the press, a series of
historical volumes; which when finished
will assume the title of

Universal History Americanised;
Or, an historical view of
Europe, Asia, Africa and America,
from the earliest records to the nineteenth
century—with a particular reference to
the state of society, literature, religion,
and form of government in the United
States of America.

By **DAVID RAMSAY, M.D.**
Life is so short and time so valuable,
that it were happy for us if all great
works were reduced to their quintes-
sence.

PROSPECTUS.
ASIA.
The Asiatic part of this work contains

a general view of the antediluvian
of the general deluge—the re-settlement
of the Globe after that great event—the
primitive population of the world—the
various ramifications, resolu-
tions, and of the general course of
Empire.

AFRICA.
The African part, contains a concise
history of Egypt, Carthage, Numidia,
Mauritania, Abyssinia, the Physical
States, and the Hottentots, with a group-
ed view of its civilized settlements.

EUROPE.
The European part, contains the Li-
story of Greece and Rome, from their
origin to their dissolution—the various
nations which were considered by them-
and of the nations by which the Romans
themselves were finally conquered, and
of the nations which were formed from
the fragments of the Roman Empire, and
the various revolutions of the latter, to-
gether with a view of the nations which
never were subjected to the Romans.

AMERICA.
The American part, contains a general
history of the Western continent, under
the heads of Free, European, and Abo-
riginal or unconquered America. The
first contains a history of the United
States, from their first settlement as
English Colonies, till the present time.—
The second, of all parts dependant on
Europe.—And the third, of all that are
still owned by the Aborigines.

It is expected that the whole will be
comprised in 10, or 12 octavo volumes,
of between four and five hundred pages
each—to be printed in Philadelphia,
on good paper and fair types. For \$3
1-3 per volume, in sheep binding or
\$4 1-3 Gilt, to be paid for on deliv-
ery.

AUTHORITIES.
This work has been in contemplation
upwards of 40 years. The project of
it was conceived in 1776, on reading the
Universal History, then recently edited
in 60 volumes, by a society of gentlemen
in England. The original idea of ex-
tracting the quintessence of that vo-
luminous work, which contained the
most complete system of history the
world had then seen, has ever since
been enlarging and improving by an
attentive perusal of the histories writ-
ten by Robertson, Hume, Gibbon, and o-
ther modern authors—of the Asiatic re-
searches of the works of Sir William
Jones, and other learned Orientalists—the
publications of intelligent travellers,
who in the course of the last half cen-
tury have explored almost every region
of the Globe. These collectively have
thrown a blaze of light on countries com-
paratively unknown, and on portions
both of ancient and modern history, which
were confused and obscure at the period
when the writers of the Universal History
published their work. The arrange-
ment of materials collected from these
sources commenced in the year 1780,
when, in consequence of the surrender
of Charleston to Sir Henry Clinton, the
author was suddenly released from a sea
of business and sent as a prisoner of war
to the British Garrison then in St. Au-
gustine, and there confined for eleven
months, without any pecuniary employ-
ment. Steady progress has been made
for the last ten years in collecting and
transcribing the work for publication.

The History of the United States is
given at full length—that of foreign coun-
tries in more or less extended or con-
tracted proportion to the intrinsic im-
portance of each—in tendency to illus-
trate portions of Holy Writ—the Greek
and Latin Classics—and also in propor-
tion to its connection with the U. States,
or as furnishing useful practical infor-
mation to its citizens, or as the paternal
soil of their ancestors.

The above sketch of the nature and
objects of this immense work, which has
occupied the attention of the Author for
upwards of 40 years, was found among
his papers, and is now given to the pub-
lic in his own words. Since that period,
a few chapters have been added by the
Reverend **SAMUEL STANHOPE SMITH**,
which brings it down to the close of the
last war.

The publication commences with a
third impression of the History of the U-
States, in three volumes, which is all that
has ever appeared. The whole will not
be delivered under 15 or 20 months. It
is proper to state, that the gentleman
who has the direction of it are neither
booksellers nor printers, and receive no
pecuniary consideration for their trouble
—but are willing to make the necessary
advances to carry it into execution pro-
vided the sale is warranted by public pa-
tronage. The profits arising are to be
appropriated for the support and educa-
tion of his children, four of which are to
them 5th success in a number of years in-
parance.

A Teacher Wanted.

SINCE the announcement of Colonel Smith's intention to decline devoting the whole of his time to the duties he has hitherto so satisfactorily discharged, and there being a probability that he will ere long abandon, altogether, his situation in the Academy it is the wish of many parents in this place to obtain a Teacher, and establish a school, independent of the Academy. For this purpose therefore, a gentleman qualified by his age, experience and capacity is wanting, and would be very liberally encouraged. He must be a man of liberal and enlightened mind; thoroughly acquainted with the languages, Mathematics, &c.—Communications, postage paid, may be made to the editor of the Winchester Gazette who will promptly reply to all such. Absconded,

ON the night of the 16th inst. my negro man JOHN, or JOHN ALLEN, (as he calls himself)—he is well known, having lived with me for several years, and has travelled a good deal with me. He is a very plausible fellow, about 30 years of age, slender made, and about 5 feet 5 inches high, rather of a yellow complexion, but the complete negro mouth and nose—has a small scar on one of his cheeks—has lately had a sore on his right leg, directly on the shin bone, which leg has the appearance of being much scored at a former period by disease or the small pox. His hat was made and stamped by Rogers of Baltimore.—A reward of 10 dollars will be given if taken in the town or county of Alexandria, 20 if in the county of Washington or Fairfax, 50 if in Baltimore or state of Maryland, and 100 if in Philadelphia or the state of Pennsylvania, and in like proportion if at any other places, with all reasonable charges for bringing him here and securing him in jail.

May 18 JAMES SANDERSON.

Fifty Dollars Reward

WILL be given for the apprehension of negro JOHN, about 19 or 20 years of age, light complexion, and about 5 feet 7 or 8 inches high—his clothing not recollected, but was very indifferent. He was one of a party who broke the jail of this place on the night of the 16th inst. and made his escape. The above reward will be given for his apprehension and for lodging him in any jail so that I get him again. All information to be left with Mr. Godley, at Mr. Legg's tavern, of this place, or to Mr. George Miller, sen. of Washington City.
